

# Customers Agree: ClearanceJobs.com Delivers Quality Cleared Candidates

## SECURITY CLEARANCE JOBS FOR U.S. CITIZENS

Finding security-cleared job seekers does not need to be a challenge. With our unique resume search engine, personalized customer service, and sole focus on cleared candidates, defense industry recruiters agree: ClearanceJobs delivers quality job seekers with active or current U.S. Government clearances.

ClearanceJobs has the largest and fastest growing database of cleared job seekers available—anywhere. Read the comments below and let us help you find them.

We've identified nine candidates so far for our two positions and have been very pleased with the value this site delivers. ClearanceJobs has consistently overperformed. I wholeheartedly recommend ClearanceJobs for companies seeking to hire employees with compartmented clearances.

– **Signami DCS - Severna Park, MD**

I don't have to search on ClearanceJobs. Normally, I just sit back and let the site do all the work for me.

– **Reger - Stafford, VA**

Everything is going well using your service. We hired an IT Manager off of ClearanceJobs yesterday. I love it, I love it!

– **Kalman & Company, Inc. - Virginia Beach, VA**

I believe I have hired nine, possibly ten, personnel in the past few months using ClearanceJobs. The jobs I post normally get a lot of hits. Thanks again for all you do. Your customer service is superb and I really appreciate that in a company. You sure make my life a little easier!

– **JB&A, Inc. - Falls Church, VA**

ClearanceJobs is very user-friendly. We are finding the candidates we need for our open contracts. Using your service, we have a faster turnaround time when submitting resumes.

– **Caldwell Technology Solutions - Bowie, MD**

I find ClearanceJobs a snap to use and very effective. Keyword searching and the ability to locate qualified candidates in specific geographical areas is easy. Thanks for providing such a great site.

– **Tamsco - Long Beach, NJ**

I recently had another job board give me access to compare their site to yours. I found that ClearanceJobs is far superior to theirs. It wasn't as user-friendly and easy to maneuver in as ClearanceJobs is.

– **Sensa Solutions, Inc. - Oak Hill, VA**

We have already hired one candidate from our ClearanceJobs searches! This is a very good service.

– **Applied Analysis, Inc. - Billerica, MA**
