

ClearanceJobs.com is the largest job board and recruiting network for professionals with active, Federal security clearance. All of our registered candidates are cleared, career-minded, U.S. citizens. With a built-in applicant tracking system, fully detailed clearance information and a targeted focus on only defense industry candidates, ClearanceJobs makes finding and hiring security-cleared job seekers fast and easy. Plus, we recently introduced a new service – The Cleared Network™ - which lets hiring managers and recruiters build talent pools of cleared professionals to interact with in bulk and real-time.

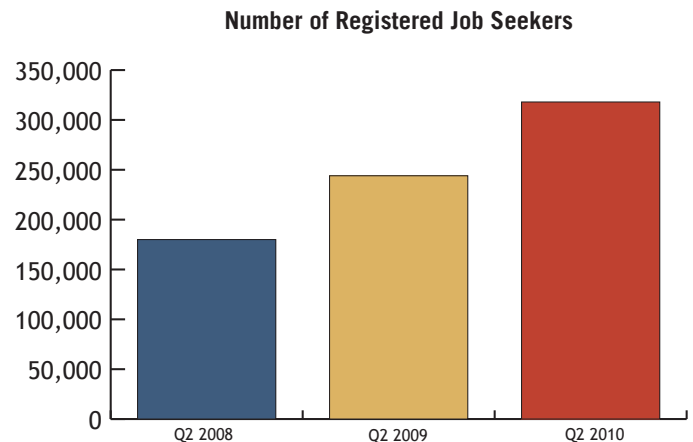

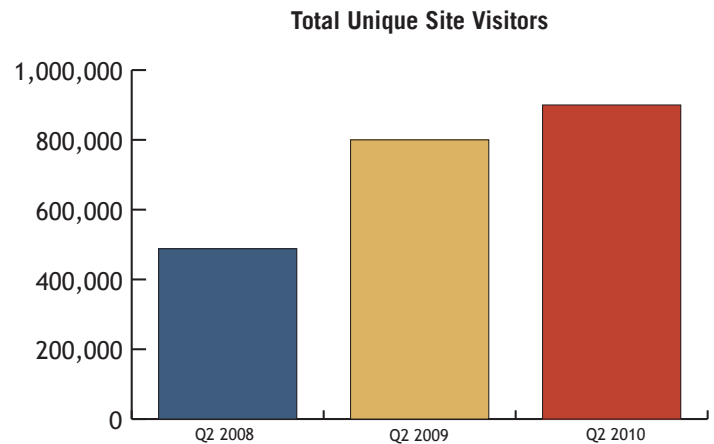

CLEARANCEJOBS BRINGS YOU HIGHLY QUALIFIED SECURITY-CLEARED CANDIDATES:

- **Cleared** – 100% of candidates on ClearanceJobs.com have an active and current security clearance; 50% have Top Secret clearance or higher
- **Experienced** – 77% of candidates have more than five years of experience in their fields; 47% have more than 10 years
- **Educated** – 84% of candidates have some college experience; 52% of candidates have a bachelor's degree or higher
- **Expert** – The average ClearanceJobs.com candidate earns more than \$92,368 per year
- **Unique** – 40% of new job seekers hear about ClearanceJobs.com through word-of-mouth referrals, which makes for a highly unique database of cleared candidates
