TOP TECHNOLOGY AND ENGINEERING CANDIDATES

For 19 years, Dice has been the leading career site focused solely on helping HR managers, recruiters, and consultants locate hard-to-find technology and engineering professionals. Dice gives you access to highly qualified, uniquely skilled candidates with real-world experience.

But don't take our word for it, take a look at what customers have to say about Dice:

"For years, Dice has proven to be a wonderful resource for keeping hiring costs down and retention up. I'm able to select a highly qualified pool of tech candidates and screen them personally to gauge their skill level and interest level first hand."

Kelly Campbell, Corporate Recruiter
Colonial Bank

"We find Dice to be an effective part of our overall recruiting strategy."

Jim Lanzalotto, Vice President
Yoh IT

"When we leveraged Dice for hiring a niche engineering position, we more than doubled our applicant flow and hired a qualified candidate within two weeks. The site allowed me to do targeted searches, even for passive candidates and create folders for organizing candidates. I highly recommend Dice."

Jazz Mimoun, Human Resources Director
Laser Devices, Inc.

"When I'm looking for someone who isn't entry level - an IT candidate who's professional and has really honed their skills - I know their probably on Dice."

Beth DiPalma, Recruiter
CTS, Inc.

"Dice is the niche site with the technical candidates we need. Certain professionals with highly specialized skill sets may prefer to gravitate to niche sites."

Sharon Maffei, Director of Sourcing and Product Management
Spherion

"I have had the opportunity to use a number of online job boards. Dice is by far the best resource available for technology candidates. Our ongoing success in identifying and hiring proven IT professionals is a tribute to Dice's well-designed site and their large pool of qualified technology candidates."

Nancy Kelso, Director, Special Projects
Direct Marketing Firm

"The quality of Dice candidates is what makes me so much more effective right now. Having Dice, I honestly feel like I have done more work in the last month than I have done in six months. Going with Dice is the best decision I have ever made."

Kimberly Carlson, Vice President and COO
Search I.T.

"With our focus on the IT and Engineering staffing businesses, choosing Dice just made business sense. Dice is known as the place to go to post IT jobs and find technology candidates."

Dennis F. Judge, Jr., Executive Vice President
The Judge Group, Inc.

"I chose Dice because of the quality of the technical skills of the candidates on Dice versus the jungle of candidates to sort through on other job boards."

Randal P. Streff, President
Streffco Consultants, Inc.

"Dice has more quality people than other sites, allowing me to use my time efficiently in finding good candidates."

Emmanuel Mathew, Founder and CEO
Cybercom Resources

Dice Testimonials

"We've hired almost one-third of our company using Dice."

Mark Silber, Recruiter
Miles Technologies

"The candidates on Dice seem to be more serious and more careful when reviewing the descriptions of the positions. Dice brings us the technology candidates that the other job boards don't because it focuses on tech."

Susan Williams, Staffing Manager
Kelley Blue Book

"We were very pleased with the effectiveness of Dice. We received over 160 applications to our CIO posting and a large number of the applicants were truly high-quality candidates. We will definitely use Dice again."

Mark Peterson, Managing Partner
Coeur Group

"I got qualified responses in the first few days after posting. I did some additional screening and found some people that had the exact qualifications I was looking for. I would definitely recommend Dice."

Shiby Thomas, Director of Enterprise Analytics
Boston Medical Center

"Dice contacts me with candidates through its search agent function. Each day I get a list of qualified candidates based on my keyword searches...it's the coolest thing going."

Patrick Kaiser, Director of Resource Management
SWAT Solutions Inc.

"If companies need technical individuals, I would recommend Dice because it is well known by technology professionals... Well, maybe I wouldn't recommend Dice to others because then they'd find the candidates before I did!"

Diane Fleischmann, Human Resource Specialist
Norlight Telecommunications

"Recently, we were able to locate a candidate on Dice for a contract position with one of our customers. This was a rare skill set and the project was critical for our customer in meeting implementation deadlines. Thanks to Dice, we were able to find just the perfect candidate!"

Monica Scantle, Area Manager
CORESTAFF Technology Group

"I am so glad that I chose Dice for my business needs. I was able to find excellent candidates on Dice. When using Dice, I can just sit and relax, and Dice does the work for me."

Sheeba Oswin
Primafore, Inc.

"I prefer Dice over any of the other search engines. It is easier to use and very fast. The search engine is great and the candidate profiles make it much quicker to scan through candidate details."

Lisa Barone, Technical Recruiter
Peak Technical Services, Inc.

"I've tried other boards, but for technical candidates Dice is the best. The customer service updates keep me well informed and whenever we have any problems you work quickly to solve them."

Amin Jabran, Vice President, Marketing
Netserv Applications, Inc.

"Dice is superior in prompt response, excellent service and qualified, client-oriented personnel. The staff had me up and running on Dice within hours of my initial inquiry. Within eight minutes of posting our first job we had three responses!"

Maryann Hughey, HR Contract Consultant
Urban Science

"Dice is a leader in the field. I can't get the same resources from any other site. Working with Dice has been a great experience from management to sales, and customer support is right on top of everything and always available."

Jordan Goldberg, Director of Recruiting
Atlas Group LLC

"Dice has been an excellent resource for our IT firm. Personally, I have utilized Dice for as long as I can remember and the quality candidates and user friendly interface have proven to exceed many others. I will continue to use and recommend Dice. Thank you."
